THE NATION'S SUPREME TASK

The Nation's one job is to make war with every ounce of mental, moral, physical and financial strength. Nothing else counts now.

War, war, vigorous, aggressive, all-powerful war, is our one supreme work. To that end the fullest measure of the Nation's life must be given and upon it the utmost potentialities of our resources be concentrated and consecrated. Banish everything else but the things which arm us with the power to strike for life and liberty.

This means, crowd every coal mine to the utmost of its capacity; run every furnace and steel plant as though the Nation's life depended upon it, which it does; build every ship, big and small, steel and wood, for which men and materials can be found, and count not the cost; run every cotton mill to its limit.

Produce every bale of cotton, every bushel of grain that can be grown; raise livestock and poultry, and keep on raising them, for our Allies are hungry, and soon will starve if we cannot supply them bread and meat.

Make guns, the biggest and the best; produce explosives without limit; crowd all the potentialities of chemistry to the last notch of human energy; expand railroads; build permanent highways; make money with all possible energy, and turn it into Liberty Bonds, and into Red Cross or kindred interests.

Work, work, work, and keep on working, be you day laborer, mechanic, clerk, banker, manufacturer, merchant, capitalist, preacher or teacher, or whatever may be your occupation. All that you have, all that you prize in life, all honor of womanhood—your women, be it remembered—the safety of the prattling baby, the child yet unborn, the religion of Christ, civilization, your own America, Land of Liberty, the home of the free, are now staked upon how you meet your individual responsibility in this, earth's supremest hour.

You cannot, you dare not shirk. You cannot throw the burden upon others. From the women, the babies, your country, your God, comes the call to you in thunder tones to do your duty, and do it now.

This is so timely at the present hour that we reprint it from the Manufacturers Record of October 4, 1917.

THE SEED CORN FARMERS

The farmers who are selling seed corn this year are not in a position to say that they are not making a good war profit. Seed corn at as high as \$10 a bushel is a gold mine for those whose crops matured in such shape that they had plenty of good seed corn to sell. Seed corn should be first class in yield. Let us suppose a yield of 100 bushels to the acre from which 50 bushels would be worthy of use as seed. That, at \$10 would be \$500 an acre, and the remainder sold for feeding purposes would be \$75. A total of \$575 an acre for corn would be \$5,750 on ten acres. A man can raise 40 acres of corn, single handed, it is estimated, and give it good attention. The man who raised 40 acres of seed corn in 1917—if one did so—and produced a good salable article made a fortune at the tail of the plow between May and corn gathering time.

"Striking a blow for America and Liberty" doesn't include striking miners, shipbuilders and others.—Mason City Globe-Gazette.

WAR BRINGS CO-OPERATION

Presbyterians at Meeting of General Assemblies to Be Held Simultaneously North and South Next Month Will Present Plan for Church Union

The question of outstanding interest to come before the General Assemblies of the Presbyterian Churches of the nation, which will meet during May, is that of union with each other, forming a great national Presbyterian Church; or at least some form of closer co-operation which will unify the work of the churches and prevent the overlapping which has resulted in such widespread waste of money and effort during the half century.

The principal Presbyterian churches of the thirteen Presbyterian

bodies in America are the Presbyterian Church in the United States of America, the General Assembly of which will be held May 16 to 24, in Columbia, O., and the Presbyterian Church in the United States, generally known as the Southern Presbyterian Church, whose General Assembly will be held May 16 to 24 at Durant, Okla.

At the meetings of these two bodies last year committee were appointed by each assembly for the purpose of discussing the problems and settling the difficulties connected with the proposed union, with orders to report their findings to the assemblies this year. Several meetings have been held by these committees, and while no information will be given out until their report is made to their respective assemblies, it is believed that the two following plans will be placed before the two denominations:

The first, which is advocated by the committee of the Northern Church, looks to the organic union of the Northern and Southern Churches and the admission of the thirteen Presbyterian and Reformed denominations of the United States into one church, nation-wide in its scope and sphere of activity; the second plan, advocated by the committee of the Southern Church, looks to the closer relation of all these bodies by a representative body composed of delegates from each denomination, which would be in effect a clearing-house of Presbyterianism in America.

Leaders of both denominations predict that even if a definite plan is not hit upon at the meetings next month, unity of interests and practical unity in creed and belief and church government will bring about union within the next two or three years. The effect of the great war in which we are now engaged, they say, has been to so minimize the differences and emphasize the necessity of unity that union of religious bodies that are

practically identical in belief and government is only a matter of time.

GREAT MASS MEETING OF COLORED PEOPLE AT BETHEL CHURCH WEDNESDAY, APRIL 17.

There will be held at the Bethel Baptist Church Wednesday night, April 17, a great patriotic mass meeting. Dr. W. H. Ballard of Lexington will be the speaker. At this meeting there will be organized an association known as "The Allies Soldiers Comfort Society." This society will co-operate in every manner possible with all other forces organized and unorganized to make the lives of our soldiers and their dependent relatives as comfortable as possible.

At least 61 colored boys from this city and county have joined the army. The colored people of the county and country are asked to attend this meeting. Every relative of these 61 brave colored boys should at all costs come to this meeting. It is for every one. Come and hear Dr. W. H. Ballard the best colored speaker of the state. Come for the sake of the boys who have joined the colors. It is free. Wednesday night April 17. W. H. HUMPHREY.

Some people borrow trouble for the purpose of troubling some one else with it.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, etc. Hall's Family Pills are also sold.

LAURA CLAY AMBULANCE

For Barrow Hospital Unit—Mrs. E. L. Hutchinson Makes Appeal For Funds—Three Mason County Boys in This Unit.

At a call meeting of the Mason County Woman Suffrage League and its friends at the Woman's Club Saturday morning, Mrs. E. L. Hutchinson of Lexington, First Vice President of the Kentucky Equal Rights Association made a clear and forceful appeal for a contribution from Mason county to a fund to purchase an ambulance for Dr. Barrow's Hospital Unit, soon to go to France. Mrs. Hutchinson received sympathetic hearing and cordial response. A committee was appointed to take immediate action to secure a substantial donation.

Two hospital units composed of Kentucky doctors and nurses and financed by Kentucky people have been formed—one headed by Dr. Abel of Louisville and one by Dr. Barrow of Lexington. The Kentucky Federation of Women's Clubs secured the funds to purchase an ambulance for Dr. Abel's Hospital Unit and now the Kentucky Equal Rights Association is working to secure an ambulance for Dr. Barrow's Hospital, naming the ambulance in honor of Miss Laura Clay who has done so much for the cause of human liberty and human betterment.

The purpose of the ambulance makes such strong appeal to our hearts that no argument is necessary to secure donations. No Mason county woman or man could rest with the knowledge that any boy, wounded in the fight for our freedom should be left lying on the battlefield unattended longer than necessary — much less that any should be left or overlooked. We can not all go in person, but when we give money to furnish an ambulance it is as if we lifted our wounded defenders with our own hands and carried them to medical succor where their sufferings allayed and their wounds healed. It is a service we render with loving eager gratitude.

Mason county people will take especial interest in Dr. Barrow's Unit because of Mason county boys and former residents of the county who are in the Barrow Unit—John Robert Marsh, Vaughn Joplin, George Joplin, Jr., and Charles Asbury, Jr., both of whose parents were born and reared in Mason county of pioneer stock. There may be others not known to this writer. Many Mason county people know Dr. Barrow well socially and professionally, having had advantage of his medical and surgical skill.

But aside from the personal interest of kinship, friendship, and acquaintance, is the larger, wider interest of a stake in the common cause of human liberty. All the boys "over there" are our spiritual kin and entitled to our care when they fall fighting for us whether they be descended from the Bourbons or are Algerian blacks fighting under the lilies of France, whether they be English peers or brown, turbaned men from India fighting under the English Union Jack whether they be descended from the Pilgrim Father, the Virginia Cavaliers or from American slaves, now freemen, fighting under the Star Spangled Banner, they are all our saviors and defenders. We offer this loving grateful service to them all.

If enough people respond, it will not be necessary for any one to give more than five dollars (\$5) and the smallest sum will help. Let every body have a part, whether we believe in woman suffrage or not we do believe in taking care of these wounded or sick boys.

Donations from men are quite as appropriate as from women. Let us think of ourselves not as men or women but as citizens of a common country.

Any member of of the committee

or the Food Chairman in your voting precinct will see that your donation reaches the proper person. If it is more convenient, leave it at the Public Library or at the Farmers and Traders Bank, where it will be placed to the credit of the Laura Clay Ambulance Fund.

Committee—Mrs. T. M. Russell, Mrs. S. F. Reed, Mrs. E. L. White, Mrs. Dan H. Lloyd, Mrs. S. M. Blatterman, Mrs. Jennie M. Zeigler, Mrs. T. T. Asbury, Mrs. J. Elgin Anderson, Mrs. Minnie Boyd Dobyns, Miss Alice Lloyd, Chairman.

STATE BOARD OF HEALTH SUGGESTS A CLEAN-UP WEEK

Bowling Green, April 15, 1918.

Whereas, a careful study of the official returns under the vital statistics law for 1917, about an average year, shows that 67 per cent of all sickness and 47 per cent of all deaths occurring in this State in recent years are from communicable and filth diseases which the health authorities and doctors could prevent with the intelligent cooperation of all the people, now, therefore:

Be it known, that the State Board of Health, for the reasons above set forth, and by virtue of authority vested in it by law, hereby names and sets apart the period beginning on Monday, April 22, and ending on Saturday, April 27, as "Kentucky Clean-Up Week" and urges every family, teacher and other owner or occupier of premises to gather and burn or remove all refuse from their premises, especially in the back yards and cellars; including the weekly removal of manure from horse stable where flies are bred; to treat with plenty of fresh lime all damp and specially soiled spots and then grade them up; to whitewash all fences and out-houses; to look after the grading and tops of wells and cisterns and see that surface drainage is kept out; and even more important than any of these things, construct "A Kentucky Septic Tank Toilet" for every home, school or other building occupied by human beings not on a line of sewers. The Board calls upon all civic and health officials, physicians, editors, members of women's clubs, teachers and other leaders of opinion, to construct these toilets and make the other improvements suggested for their homes, and then, with their own premises as models, start this life-saving campaign among their neighbors and friends. If these things are done promptly and the purpose of it is appreciated, it will then be easy to keep the premises clean the year round.

Illustrated bulletins with full instructions for the construction and care of the toilets will be gladly sent free to any one for the asking.

JOHN G. SOUTH, M. D., President.

J. N. McCormack, M. D., Secretary.

SHIPPING LAWS WILL BE ENFORCED

Attention of egg and poultry shippers is called to the fact that shipping laws require these articles to be packed according to railroad classification; this requires packing in standard packages and was adopted to insure minimum loss and breakage.

Now that the Government has taken over the operation of the railroads, it will cooperate with the Department of Agriculture and the Food Administration in insisting on proper packing and the resulting saving.

Aberdeen citizens are doing the proper thing and are not going to be caught again next winter without any fuel to fight Old Boreas and his train of zero weather. Two barges of coal are being unloaded there and it is understood several more barges have been bought and will be added to this as soon as they are received. There are several large empty coal yards in this city that could be filled with almost enough to supply our needs the coming winter.

"NO EIGHT HOUR DAY IN WAR WORK"

Declared Lexington Postmaster in Telling Rural Mail Carriers They Must "Go to It" in War Savings Campaign.

KY. POSTMASTERS AROUSE GOVERNMENT EMPLOYEES

Central Accounting Postmasters throughout Kentucky have been holding meetings of District Postmasters and Rural Carriers the past week for the purpose of arousing them to the demands upon them by the Federal Government, through the Post Office Department at Washington, that every one get actively in the great campaign now going on all over the country to teach the lesson of Thrift and promote the sale of Thrift Stamps and War Savings Stamps among the people they serve in their several communities. In not a single instance has a Postmaster ignored the call of State Director James B. Brown for such meetings, and every meeting has been largely attended and will be productive of good results.

Postmaster Moses Kaufman, of Lexington, who has actively co-operated with County Chairman John Skain in his every plan of campaign, told his associates and employees of the Post Office Department in Fayette county that there is no eight-hour day in war work, and that they must go to it at all hours, leaving the road side mail box in the rural districts to call at the doorstep of the persons on his route and see that they either bought War Stamps or gave a good and sufficient reason why they could not do so.

"Do you really think that the American soldiers who are at this minute holding the line in France are holding out for an eight-hour day? Alright then, go to it, and give overtime to your menaced country and sell these stamps."

This is how Postmaster Kaufman went at the rural mail carriers at a meeting of the carriers, which was called to put now into effect the sales of War Savings Stamps. The rural mail carriers, Mr. Kaufman explained, had fallen behind the city carriers in results.

"Now you men in the country should see every man, woman and child on your route. Put the mail in the box on the road, and then take the time to drive up to the man's house, and insist on a hearing. Don't let personal rebuffs bother you. Just remind yourself that it is your country and not you that is receiving the rebuff."

"Say to the men who refuse to buy: 'What right have you to stay at home in ease and comfort, while other Americans are dying in France? Why has the government a right to call on one man to die, if it has not an equal right to ask you to lend your money?'"

"Tell him that he is the sort of man that will make it possible for that heroic line in France to break before the Hun assault. Put it up to him that it will be his fault if the war is lost."

John Skain, the county chairman of the War Savings Stamp campaign, spoke and suggested yet another argument.

A COMPARISON OF INTEREST.

A great deal of speculation and discussion have arisen in connection with the comparative interest returns of the War Savings Stamps and the bonds of the Third Liberty Loan. Now that the Treasury Department has announced that the interest rate on the new bonds is 4 1/2% a comparison can be made.

A War Savings Stamp bought January 1, 1918, if held until maturity January 1, 1923, pays a total interest of eighty-eight cents, or seventeen and 3/4 cents per annum. This is equivalent to a rate of 4.27% per annum. The interest rate increases each month this year until in December the return develops as follows: That month the stamp costs \$4.23 and has four years until maturity. The total interest received, if held until maturity, is seventy-seven cents. For one year it amounts to nineteen and one-quarter cents, which is at the rate of 4.55% per annum.

The Third Liberty Loan bonds will not be convertible into subsequent issues, so you can assure the public that the purchaser of War Savings Stamps is not discriminated against in the new bond issue.

I quote the following from Secretary McAdoo: "In the coming Liberty Loan drive," said the Secretary, "the War Savings organizations should continue their efforts in the formation of War Savings societies, educational work in the schools, and general thrift propaganda. There are persons who are unable to buy Liberty Loan bonds and all these persons should be urged to buy War Savings Stamps."

You will note from this our campaign is not to slacken. Let our slogan be:

Liberty Loan Bonds for the fellow who can buy them, and War Savings Stamps for everybody.

NOTICE TO PASTORS AND CHURCH CLERKS.

All announced intended for our church column must be in this office on Friday by 12 o'clock to insure insertion. All announcements received after this time will be omitted.

DIZZY SPELLS

Relieved After Taking Two Bottles Of Cardui, Says Tennessee Lady.

Whitwell, Tenn.—Mrs. G. P. Cartwright, of this place, writes: "About four years ago the dizzy spells got so bad that when I would start to walk I would just pretty near fall. I wasn't past doing my work, but was very much run-down."

I told my husband I thought Cardui would help me, as a lady who lived next door to me had taken a great deal, and told me to try it. This was when we were living in Kentucky. My husband got me a bottle and I took it according to directions. It helped me so much that he went back and got me another bottle. I got a whole lot better and just quit taking it. I got over the dizzy spells. I took no other medicine at that time nor since for this trouble. No, I've never regretted taking Cardui."

I felt just fine when I finished the second bottle. Purely vegetable, mild and gentle in its action, Cardui, the woman's tonic, may be the very medicine you need. If you suffer from symptoms of female troubles, give Cardui a trial. All druggists. NO-129

C. E. MARTIN, Proprietor.**HOMER SMITH WILL BE HERE THURSDAY**

The Homer Smith, one of the most beautiful excursion boats on the Ohio river, will arrive here Thursday and run an excursion from this city to Ripley and Augusta. The boat has recently been painted white and re-touched from top to bottom and is easily the most attractive pleasure boat that has ever passed here.

A first-class orchestra and calliope is provided and with the largest ball room afloat it promises much entertainment to dancers and lovers of music.

The Homer Smith will also run an excursion from here to Cincinnati Sunday, so that baseball fans will have a chance to see the big ball game between the Cincinnati Reds and the Chicago Cubs.

The degree team of Wyandotte Tribe I. O. R. M. will trail to the Hunting Grounds of Lewisburg next Monday night where they will officiate at the institution of a new tribe. The team will meet this evening for rehearsal at the close of the regular council of the tribe so every member is urged to be present that he may get his scalping knife, war club, bow and arrows, tom toms and other "war path" material in readiness for the "big doings." They are expecting a large crowd at the institution of the new tribe, delegations from several of the Fleming county tribes having signified their intention of coming. Wyandotte's team has made quite a record for good work at the institution of new tribes, hence the desire for a full rehearsal tonight that their good reputation may be sustained upon this occasion.

The many friends of Mr. and Mrs. Charles Austin will be sorry to learn that their little three-year-old daughter still remains in a critical condition.

Mrs. Thomas C. Robinson of Winchester is visiting her sister, Mrs. Sallie S. Hall, of East Second street.

Mr. A. H. Thompson of East Third street was a business visitor in Manchester, Ohio, yesterday.

GOOD CAUSE FOR ALARM

These Figures Will Make Maysville People Take Notice.

Deaths from kidney disease have increased 72% in twenty years. People overdo nowadays in so many ways that the constant filtering of poisoned blood weakens the kidneys. Beware of fatal Bright's disease. When back-ache or urinary ills suggest weak kidneys, use Doan's Kidney Pills, live carefully, take things easy and avoid heavy eating. Doan's Kidney Pills command confidence, for no other kidney remedy is so widely used or so generally successful. Home endorsement is the best proof of merit. Read this Maysville resident's story:

Miss Dora Edgington, Wood St., says: "I have used Doan's Kidney Pills and from the results received, I have every reason to recommend them. At times my kidneys have become weak and have been irregular in action. My back has ached, too, and has been very weak and lame across my kidneys. When I have used Doan's Kidney Pills for this trouble, they have never failed to relieve the complaint in a short time. I gladly advise anyone to get a box of Doan's Kidney Pills at Chanslor's Drug Store, if troubled in that way."

Miss Edgington is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Miss Edgington had—the remedy backed by home testimony. 60c all stores. THE NATIONAL CAMPAIGN

On the Moral Aims of the War Will Reach Kentucky Next Week—Rev. Sidney L. Gulick, D. D., and Dr. William F. Stocum Will Be the Speakers.

The National Campaign on the Moral Aims of the War reaches Kentucky next week.

The National Committee on the Churches and the Moral Aims of the War headquarters in New York City is back of these great meetings. They are to be held in some 300 of the largest centers of the Nation.

This campaign was launched recently as a movement through the Churches and other religious organizations to concentrate attention upon the supreme aims of the war as interpreted by President Wilson with special reference to the establishment after the war of a League of Nations to abolish war for the future. In these centers, conferences of the ministers and other religious leaders are held, with mass meetings at night. The speaking teams, which include men of national and international reputation, are canvassing the entire country, holding these conferences and speaking at the mass meetings.

The speakers at these meetings will be: Rev. Sidney L. Gulick, D. D., Secretary of the World Alliance. Dr. William F. Stocum, an intensive student of Economic and Social Problems in America and Europe.

The moral aims of the war which this National Committee is pushing through the churches are four:

To win the war against autocracy; To make the world safe for democracy and democracy safe for the world;

To secure for Nations—small and great—safety, justice and equal economic opportunity;

To establish a League of Nations. These distinguished men will lead a conference at First Presbyterian Church on next Tuesday, April 23, 2 p. m., and will address a mass meeting there at 7:30 p. m. This is an important part of the campaign for winning the war.

Mrs. Thomas C. Robinson of Winchester is visiting her sister, Mrs. Sallie S. Hall, of East Second street.

Mr. A. H. Thompson of East Third street was a business visitor in Manchester, Ohio, yesterday.

REPORT OF THE CONDITION OF THE**BANK OF MAYSVILLE**

THE NATIONAL SPORT

The Baseball Season Begins This Week, the Opening Games in Cincinnati Today.

With many players missing, due to voluntary and draft enlistment into war service and startling changes of uniforms since the close of the 1917 season, the major leagues will open their annual pennant campaign this week under conditions which have not existed at any previous period in the history of the organization. True to tradition and bravely facing the uncertain future, the sixteen clubs composing the National and American Leagues begin their 1918 schedules confident that the niche which baseball has hewed for itself in the national life will be found a safe foothold even in the perilous times of the present day.

The American League, weather permitting, will have the honor of marshaling its forces to the first call of "play ball." On Monday the New York club of the junior association will face the Washington club players at the national capital city, while the Philadelphia Athletics will oppose Boston on the home diamond of the latter team. The following day the four remaining clubs of the American League and all eight of the National League will swing into action in the various cities of the circuits providing the weather man co-operates with the players and the fans.

The games played yesterday resulted as follows: Boston, 7; Philadelphia, 1. New York, 6; Washington, 3. The schedules for Tuesday call for the following opening games: American League—Cleveland vs. Detroit at Cleveland; Chicago vs. St. Louis at Chicago. National League—St. Louis vs. Chicago at St. Louis; Cincinnati vs. Pittsburgh at Cincinnati; New York, and Philadelphia vs. Boston at Philadelphia.

What the outcome of the pennant races in the two leagues will be only the future can disclose. In the American League the Chicago White Sox world champions, are conceded to have the edge which comes with the capturing of a championship. One or two of the rival combinations, particularly the New York Americans, have been strengthened as the result of trades and cash purchases and it is likely that the race for first place will be fully up to the standard of past years.

In the National League the New York Giants, winners of the 1917 pennant, are still the favorites for the flag, but on paper at least; the team does not appear to be quite as impressive as a year ago. In addition there is certain to be greater opposition on the part of two or three clubs which have built up stronger teams than were available last season. In a general way Cincinnati and St. Louis appear prominently in this particular with at least one other combination in the role of a dark horse.

The Charles Lewis property on Front street in the Fifth Ward was sold yesterday by Master Commissioner A. G. Sulser to Mr. Charles B. Davis, the price paid being \$467. The property will be put in good repair and is in a splendid location.

Two weeks from tonight, April 30, will come the Brady-Dodds recital at the Third Street M. E. Church. Keep your dates open for this the only entertainment of the kind this year. As good as any lyceum number.

Mr. and Mrs. Houston Hall of Forest avenue left this morning for Cincinnati to attend the opening ball game.

AMATEUR STRIKE AT WATER WORKS

Warrants were issued for the following men by Mr. G. A. Schaffer yesterday morning for hindering work at the Maysville Water Works: W. C. Nicholson, Thomas Holland, Jesse Laudenburger, Julius Sharpe and Henry McAbee.

A few days ago Mr. Schaffer discharged W. C. Nicholson and the remaining employees went on a sympathetic strike, until Nicholson should be taken back on the force. Mr. Schaffer immediately hired other help, who were prevented from going to work by the above named men who threatened them with violence if they did so. Chief Ort was asked for assistance and the men were brought to the Police Court, but were turned loose upon their promise not to interfere with the Water Works in any way and to stay off the premises. They promised to do so and were discharged.

OUR COLORED CITIZENS

The Young Women's Auxiliary will meet at Mrs. M. J. Taylor's Wednesday afternoon at 3 o'clock. Business of importance.

Oris Pleasant and Mrs. Bettie F. Smith of Clark Station were called to Covington on the account of the serious illness of their brother.
